It was great meeting you. The new room was accommodating. Am available either day at this time.

I have advertised to backfill my old position, Senior Oil and Gas Engineer, if you know of people wanting to move to the Central Coast.

Thank you.

Hi Folks,

Thank you very much for your time yesterday. Trying to set time for a follow up meeting. I have two dates to offer – March 18 or March 25. Possible location is uncertain at this time since we are all in different places. Possibly Sacramento?

Can you first advise of your availability please for either day. Thank you!

Sincerely,

Michele
